Tuesday, April 6th, 2021

SCHEDULE OF EVENTS

2:15 PM-3:00 PM

PETER IAFRATE,
PHARMD,

"KEEPING RESEARCH
SAFE"

3:00 PM-3:45 PM

BETSY SHENKMAN, PHD,
"ONEFLORIDA AND
REAL-WORLD EVIDENCE
TO IMPROVE HEALTH"

3:45 PM -4:30 PM

CATHERINE STRILEY,
PHD, MSW, MPE
"UNDERSTANDING
HEALTHSTREET:
COMMUNITY OUTREACH
PRACTICES"

Are you interested in participating in research? Speakers for the second session of the Research Showcase will explain:

- How a review process is required for every research study, how informed consent works;
- How the OneFlorida Research Consortium facilitates healthcare research, health and health policy for our state; and
- How HealthStreet helps us learn about resources, including medical, social services, and opportunities to participate in research.
